### AiM Awarded Region 4 Sport Horse Championships Date & Location Change for 2008!

At the spring meeting last March, AHA Region 4 delegates approved a contract for Arabians in Motion to take over the Region 4 Sport Horse Championships. This is a three-year contract, 2008-2010. The concept will be revisited and the contract up for renewal after the 2010 championships.

The package includes current and future championships in the Dressage, Hunter, Jumper, Carriage Pleasure Driving and Sport Horse Divisions, including Sport Horse In-Hand, Sport Horse Under Saddle, and Sport Horse Show Hack, following the model of the existing AiM Sport Horse Classic and AHA Sport Horse National Championship class lists.

*Continued on next page...*

It took a few months to find a location that could accommodate this new, combined show on dates that conflicted minimally with other Arabian and sport horse competitions, but we are pleased to announce **[TA DAAAA!]** that the inaugural **AiM Sport Horse Classic with AHA Region 4 Sport Horse Championships will be held at the Oregon Horse Center in Eugene, Oregon, on August 14-17, 2008.**

Several AiM members visited many sites around the state, and negotiated with many facility managers. We discovered that there is no such thing as the perfect show facility, and that even if there were, it probably wouldn't be available on dates that worked for us, anyway. ☺ But we're pleased with the choice of OHC, and thrilled to bring the Region 4 Sport Horse Championships under the AiM umbrella.

We anticipate that the new **AiM Classic + SH Championships** will be a two-ring, three- or four-day competition. Now that the dates and location have been determined, the show committee will move forward with finalizing the class list and schedule, selecting judges and other officials, contacting sponsors and promoting the event.

Mark your calendars now, and visit the AiM website, [www.arabiansinmotion.org](http://www.arabiansinmotion.org), often over the coming months for the latest news and announcements about this exciting event!

### DRESSAGE RESULTS FROM YOUTH NATIONALS

The youth of Arabians in Motion have definitely raised the bar this year! These young ladies traveled a long road to Albuquerque (in more ways than one!) and faced tough competition. We couldn't be prouder of you!

#### About the competitors:

**Jessie Crawford** lives in Tualatin, Oregon. She turned 18 this spring, so this was her last Youth Nationals. **Studly Do Right** is a 1993, 14.2h, bay Arabian gelding (Sharif Shahid x Nakishkaa by Statik), bred by Joanne J. McDowell. **Questt** is a 1995, 15.3h, grey Half-Arabian gelding (Quartet [Swedish Warmblood] x Thrill by Taliesin), bred by Lesley Eastwood.

**Emily Love** lives in Lake Oswego, Oregon, and is 13 years old. She trains with AiM member **Katie Stodick** at Painted Valley Farms in Sherwood, Oregon. **El Sharq Asad KB** is a 2002, 14.3h, chestnut Arabian gelding (PV El Shikar x My Miss Pride by Baskes Pride+), bred by Painted Valley Farms and owned by Katie Stodick.

**Karen Lincke** is another of Katie's students; she also lives in Lake Oswego, Oregon. Karen has turned 14, so will move up to the 14-17 division next year. **VW Brittonia** is a 1987, 15.2h, bay Arabian mare (\*Londonn x Electricity by HMR Hallany). Brittonia was bred by Garen Warren and is owned by AiM member **Karen Bragg**.

#### What they accomplished:

##### Dressage Training Level, Riders 13 & Under

**Top Ten** (in a 3-way tie for Reserve Champion!) Karen Lincke and VW Brittonia, 64.6%  
**Top Ten** Emily Love and El Sharq Asad KB, 63.4%

##### Dressage Training Level, Riders 14-17

**Reserve Champion** Jessica Crawford and Studly Do Right, 66.4%

##### Dressage First Level, Riders 13 & Under

**Champion** Emily Love and El Sharq Asad KB, 67.105%  
**Reserve Champion** Karen Lincke and VW Brittonia, 62.895%

##### Dressage First Level, Riders 14-17

**Reserve Champion** Jessica Crawford and Studly Do Right, 63.158%

##### Dressage Second Level

**Champion** Jessica Crawford and Questt, 63.69%

##### Dressage Third Level

**Champion** Jessica Crawford and Questt, 62.326%

*Continued next page....*

**Judges** were Sarah Michael of Beverly Hills, Michigan, and Loris Henry, of Fresno, California. Both of these ladies are S dressage judges, which means that they are licensed to judge the very highest levels of dressage competition in the U.S. This is the first year that Youth Nationals has used S judges exclusively; our youth were privileged to ride for them. Of course, *they* were privileged to judge Emily, Karen and Jessica, too – clearly the best young Arabian dressage riders in AiM, Region 4, the Pacific Northwest, and the entire U.S!  
*Well done, ladies!*

And, since the above story was written, **Jessica Crawford** and **Questt** have been named 2007 Great American/USDF Region 6 Reserve Champion, Third Level Jr/YR. Congratulations!

\* \* \* \* \*

Big News!!!! **Indianapolis**, the 2-month old daughter of **Annapolis** and out of **Abby**, won her weanling filly class at the Pacific Royal Autumn Classic and then went on to be named the Reserve Champion Junior Mare among weanlings to 2-year olds. We are more than a little excited about this, as you can tell.

**Annapolis** did well in hunter pleasure with Stephanie, winning 2 firsts and a second, and a first for Janet in the Junior Horse Hunter Pleasure class. He also picked up some halter points, though not high up in the ribbons, because lets face it, he is a sport horse, not a model horse..... oh well!

**Abby** took a second in costume and a 4th and 5th in hunter pleasure classes despite not being able to hold still in the line up (baby duty calls LOUDLY from back in the stable area!). She was definitely torn between "show horse" and "mom." It was obvious she wanted to do both at the same time, but the rule book doesn't allow for foals in the ring.....darn it!

*AiM member Janet Jones is the **proud** owner of the horses in this story.*

## Welcome New Members

Linda Martin, Glisan Street Saddlery  
Mashelle Painter, Warren, Oregon  
Megan Sibiga, Lebanon, Oregon

AiM Youth Member **Natalie Dukes** and Memo went Champion - Low Jumpers at this year's Jump for the Cause Breast Cancer benefit show at Lake Oswego Hunt Club. After their win, they schooled on the cross country course, including this 2'6" hedge  
<http://jdukes.smugmug.com/gallery/3123262#171059471-L-LB>

Memo is **Extragold Memory**, a ten-year-old purebred mare by Twinfir Extragold out of Mi-Gai Pacifica by Gai Midas. Natalie has been leasing her since October 2006 from Kaye Phaneuf. The pair train with **Elise Maxwell** and **Janice Dill** at Windsong Farm in Newberg, Oregon.

*Sad news from **Jerry & Lisa Kolke**:*

**Forgett Me Nott** left us the afternoon of August 31. She had taken her new colt, Dylan, for his morning trot around the pasture, one of her favorite activities, laid down for her morning roll and appears to have twisted an intestine in the process. We were blessed that the vet was able to come quickly.

**Forgett Me Nott** had proven her ability to consistently produce pretty Half-Arabians, sired by 5 different Arabian Stallions. Freckles was a quiet, gentle mare and a beautifully fluid mover. She was a mother first and foremost. Everyone loved to watch her sailing through the pasture with her foals by her side.

**Forgett Me Nott** had 10 registered foals and one weanling colt by Cytosk at her side. Five of her foals have been campaigned and have collectively earned 5 National Championships, 4 Reserve National Championships, 3 National Top Tens, 7 Regional Championships, 8 Regional Reserve Championships and 8 Regional Top Fives. Her oldest colt, **Forgery DGL**, is the 4<sup>th</sup> most winning son of Afire Bey V (1,022 foals to date). We own the last two, and they are too young to go show. This record would easily qualify her as an Arabian Horse World Aristocrat and a Dowager Mare if they accepted Half-Arabians.

Thank you to Owen and Nancy Panner for sharing her with us. We will miss her beauty gracing our pastures.

MINUTES FROM THE AUGUST 2007  
AIM MEETING

At Natalie Mair Williamson's house with Kaye Phaneuf, Jannelle Wilde, Kathy Darnielle, Linda Royer, Sarah Asby, Kathy Cegla, and Joann Hofeldt.

We talked about **Bandit Springs** – Jannelle has suggested we need to up the price on the entry fees and she mentioned staying out very late to wait for the final rides. Linda praised where the markers were put for the late night arrivals. The suggestion for 2-day ride: 2-day 100, making it 50 miles a day. You get miles for 100, but not the points. There were 10 people that rode the 100 miles. There was no profit as we lost about 20 dollars and Jannelle contributed several hundred dollars of her own money as first-time ride manager. Kaye made a suggestion that AiM needed to cover those costs. We did talk about what it would entail for having another endurance ride for next year, cost wise and cutting new trails. A suggestion was made about going up earlier in the year, say Memorial Day weekend, as a group to cut new trails. The trials of the cows chewing all the ribbons that marked the trails came up and what we could do to change that? There are some prizes left over and we discussed using them for top 10 awards. Feedback was that the awards were well accepted and maybe we can do T shirts for awards next year. Jannelle said that she was willing to manage Bandit Springs again next year. A thank you to Janelle for running the show was offered up by Kaye, especially since she had just gone up there to socialize.

**2008 AiM show** was discussed and discussed. Where to have it, what to offer for rides, who is going to judge, how many horses might possibly come, etc. We talked about certain judges and we talked about the Salem Fairgrounds-pros and cons. Hunter Creek – pros and cons. Inavale – pros and cons. Devonwood Equestrian center – pros and cons. Lake Oswego Hunt club – pros and cons. Oregon Horse Center- pros and cons. Narnia farms- pros and cons. We discussed increasing entry fees with positive feedback. We discussed going to a 3- or 4-day show versus a 2-day show. It came down to 2 places to have the show.

1. Oregon State Fairgrounds, Salem -- June 5-8, 2008 – because we know this place, familiar to the exhibitors, could possibly set up an arena on the grass, comfortable with dealing with the management.
2. Oregon Horse Center, Eugene – August 14-17, 2008 – because it is the best alternative to Salem- not too far, several arenas, reasonable, willing to work with us.

We decided to stay with the state fairgrounds, but complications arose, so the venue recently changed.  
**See the President's Report for the final decisions!**

We wanted minutes of the last meeting, but I was unable to attend so there were no minutes.

**Communications** – web site, newsletter and club project was Bandit Springs.

**Volunteer service award** – we need to nominate an individual. Sarah nominated Jannelle for working on the AiM show and then Bandit Springs manager. Jannelle nominated Kaye – Kaye declined.

We discussed sending **delegates to convention**: They needed to be members of AHA by September 4<sup>th</sup>, 2007 to be on a committee. Not many resolutions have been sent out. We discussed several. (My tape gets really fuzzy here!!!) That the sport horse is not a dressage or hunter type. A sport horse should be an 'overall' horse. A horse that moves freely forward, is willing and able and happy – no rushing, not trammed or jammed. Not dragging the rider, mostly forward on the bit. Able to stretch into the bit, being relaxed and, above all, willing. This goes towards having an Arabian sport horse judging license. The resolution goes forward.

We talked about bridles – flash bands and bits that will be eliminated from competition. This will only be allowed in Arabian dressage, but Arabian hunter pleasure, Arabian sport horse under saddle or Arabian show hack, etc.

These are to be posted on the web page:

Treasurer's report: By Kathy Darnielle – Still the same.

Membership report: Still about 85 members.

Delegates: *Kaye Phaneuf & Jannelle Wilde*

Alternates: *Kathy Darneille & Sarah Asby*

We did discuss trying to include Marcia Donnelly as an alternate and we tried to figure out motel and air flight expenses. And we end there.

*Natalie Mair Williamson, Secretary*

## **Sport Horse Nationals to Stay in Nampa**

At the Region 4 fall meeting, the rumor was confirmed that the folks in southern California have been pushing hard to get Sport Horse Nationals moved from Nampa to southern California. Apparently, there is an agreement with the Idaho Horse Center for 2008 and 2010, but not a signed contract, so the SHN show commission *did* visit several sites in the southwest corner of the country, including Griffith Park and Scottsdale. We were poised to mount an e-mail campaign to let the commission know that a lot of us are very happy to have this event in Idaho, when Chris Bickford sent word from this year's SHN, where he judged the Pleasure Carriage Driving classes, that the commission *did* announce that SHN *will* stay in Nampa, at least for 2008 and 2010. Whew!

## Report from the Region 4 Fall Meeting

Kaye Phaneuf and Kathy Darneille (subbing for Jannelle Wilde)

- AHA Life Memberships still available through April 1, 2008, for \$650. You must be 15 or older to apply for a life membership.
- Dressage and Sport Horse qualifications for regional and national championships have been increased for 2008.
- 2008 Region 4 Championship Show (without the Sport Horse divisions see related article) will be held in Salem Sunday, June 15 Saturday, June 21. 2007 show had 570 horses entered, down approx 20 from 2006.
- Following the 2008 State Fair, the race barns will be torn down and the space converted to a park. Although the RV hookups will stay.
- The deadline to apply for a Region 4 scholarship is May 1. There are two scholarships, one for a graduating high school senior, and one for an older student.
- The Horse Expo in Albany will be March 28-30.
- Announcements for the Region 4 newsletter must be emailed to Barb Garcia by October 20.
- A new club is forming in eastern Oregon; it will have a sport horse orientation.
- As part of the contract with AiM to take over the Region 4 Sport Horse Championships, the Show Commission will provide awards for all championship classes. They are budgeting \$6,000 for 31 awards in 2008.
- Toni Van Wyck has three trunks full of trophies that they won over the years. Many of them are the old AHBAO myrtlewood plaques mounted with a bronze horse head. (I think it might be bas relief?) She has offered them to AiM, thinking we might want to use them for AiM (not Regional) championships.
- At least two, maybe three, people are submitting bids to produce the next Region 4 Handbook & Directory.
- The budget for 2008 was approved with minimal discussion and no dissension. As hardly anyone had actually submitted a budget request, the budget looks very much like last year's. Line items approved included: Dressage (Kaye Phaneuf, chair) \$150, which will be used to buy advertising in the ODS Omnibus to promote Region 4 shows offering dressage; Endurance (Jannelle Wilde, chair) \$1,200. In addition, there are still funds in the Benefit Activities fund, which Chairs Kaye Phaneuf and Judi Booth have agreed can be used by Jannelle to reimburse endurance rides for the cost of getting AHA recognition for their events.
- The spring meeting is tentatively scheduled for March 29, in Albany, during the Horse Expo.
