

Arabians in Motion

volume 10, issue 5

December 2006

chartered in 1996

Our mission: to promote the interests of members and their horses who compete against a cow, a clock, or a course

Next AiM Meeting: Saturday, Feb. 17, 2007,
(about 9:00 a.m., depending on number of horses)
In-Hand Sport Horse Clinic with Barbara Funk
Karen Miller's Unlimited Classics near Molalla, OR

Participants will learn how showing a horse in hand is different from the traditional Arabian halter class. How best to present the horse in these classes will be discussed as well as suggestions on how to work with the horse so it will score better in one of these classes. Barbara will give her opinion on how a horse's conformation will fit the "sport horse" standard. Participants can either bring a horse or come to watch. There will be plenty of opportunity to ask questions.

The clinic will start with an informational session without horses. Cost with horse for a 30-minute, one-on-one session with Barb is \$55. Non-horse participant fee for non-AiM members is \$20, \$15 for AiM members. Group discounts available. If you would like more information or a registration form, contact Sarah Asby at sdasby@comcast.net, or call her at 503-887-2535.

April Meeting – Mary Nunn and Anna Sampson will hold an informational session on everything you want or need to know about participating in an endurance ride. We will learn how to do P & Rs (pulse and respirations) as well as what we do with the horse at the ride when we are not riding it but spending the night. Location & time TBA.

June Meeting – A Working Western demo by members of the Arabian Cutting Association. There is a strong possibility that AiM will be doing some sort of Working Western competition as early as 2008. Location & time TBA.

AiM Turns 10 - A Little History

Arabians in Motion's charter was approved by the Board of Directors of the International Arabian Horse Association at their November 19, 1996 meeting, which was held in Anchorage, Alaska. AiM's affiliation with AHA officially began on January 1, 1997.

As many of you know, Arabians in Motion came into being when the Cascade Arabian Horse Club folded. The Board of CAHC voted to give a substantial portion of their treasury to the new club, and three of them supported it with their memberships, as well.

There were 19 charter members: 13 active dressage riders, 1 endurance rider, 3 CAHC members, and 2 supportive family members. The club's first officers were:

* Kaye Phaneuf, President
Allison Mazurkiewicz, Vice President
Karri Tuyls, Secretary
April Simons, Treasurer
Jackie Paul, Newsletter

The remaining 14 charter members were:

Pam Barclay	Jim Bateman
Beth Bonham	Carrie Ereminas
Kathy Fornshell	Tisch Hardy
* Jo Ann Hofeldt	* Lisa Kolke
Bette Landergen	Ona Lawrence
* Karen Miller	Jerry Paul
Richard Phaneuf	Sherri Roberts

Continued on next page

Within weeks, AiM started to grow! By mid-January of 1997, we added 17 more members, bringing our total to 36. They included:

Jean Boice	Melanie Casselman
* Sherry Casselman	Ruth Crowley
* Sue Dodge	* Gene Dueber
Sherry Hyde	* Louie Kimbraugh (Telfer)
Marcia Langer	Louise Mason
* Albert Mauck	Eugene Moreland
Joanne Newland	Barbara Penniston
Shelly Taranoff	Susan Auerbach Triplett
Lori Wright	

* = current member

Ten years later, as of November 28, 2006, Arabians in Motion proudly boasts 92 members – 82 adults and 10 youth! (The list of current members is too long to publish here, although we plan to distribute a roster with phone numbers and e-addresses to all members shortly.)

Our list of officers has grown, too, to support the club's growth and expanding services. AiM's officers for 2006-2007 are:

Kaye Phaneuf, President (again, not still!)
 Sarah Asby, Vice-President / Activities
 Natalie Mair Williamson, Secretary
 Katharine Darneille, Treasurer / Membership
 Kathy Cegla, Newsletter
 Jannelle Wilde, Website
 Katie Stodick, Youth
 Billie Jo Morley, Member Relations

I hope you've enjoyed this brief reflection on AiM's beginnings. Look for more retrospectives on our history, and articles on our goals and plans for AiM's second decade, throughout this anniversary year.

Volunteers Wanted

*Submitted by Sarah Asby
 Volunteer Coordinator, AiM Sport Horse Classic*

We need volunteers for the AiM Sport Horse Classic, March 17 and 18, 2007, at the State Fairgrounds in Salem, Oregon. Volunteer jobs include scribing (*learn from the judges!*), gatekeeping (*watch the horses, either prepping or performing!*), announcing (*you can be a star!*), scoring (*work in a warm room!*), running scores from judges to office (*burn calories!*), and presenting ribbons and prizes. Remember that it takes a lot of volunteers to make a horse show run *smoothly*.

Starting in January, Sarah will be calling on members to help, so please respond in a polite manner. Family members and friends can volunteer, too.

And, new this year – we will have a heated lounge for volunteers. That's right: heated, with coffee, hot water for tea or hot chocolate, and a variety of noshes for our workers. Remember how cold it was last year when Sarah calls to ask if you want to be a volunteer!

Per **Webmistress Jannelle Wilde**, here are some statistics on visits to the AiM website:

Minutes of the October 25, 2006 meeting of Arabians in Motion

*Submitted by Natalie Williamson, Secretary
Kathy Cegla, Acting Secretary*

Members in attendance: Kaye Phaneuf, Sarah Asby, Marcia Donnelly, Billie Jo Morley, Mandi Andrews, Jannelle Wilde, Anna Sampson, Mary Nunn; Kathy Darneille and Natalie Williamson arrived late. Guests: Clarence Nunn, Jan Finseth, and Sherri Unruh.

Kaye called the meeting to order at 7:00 p.m. The minutes of the last meeting were approved as published in the last newsletter (moved by Marcia, seconded by Billie Jo). The treasurer's report, as published in the last newsletter, was approved (moved by Marcia, seconded by Kathy C.). The membership report, as published in the last newsletter, was approved (moved by Marcia, seconded by Sarah).

Kathy Darneille reported that she is still working on the club taxes and that she and Kaye Phaneuf will sort out the budgets from the 2005 and 2006 shows.

Sarah Asby reported that she is planning ahead for next year's activities, including an in-hand clinic for February and an endurance clinic of some type for April.

Kaye Phaneuf reported on Sport Horse Nationals. The quality of the entries was excellent and, although some things weren't perfect, the facility overall was wonderful. It was readily apparent that the management of the facility wanted to make us happy. The AiM barn party was a success, and Kaye thanked everyone who helped to make it work.

Mary Nunn talked about the National Championship Endurance ride, which was held the same weekend as the Sport Horse Nationals. There is some discontent with the Sweepstakes program as it is harder to win any Sweepstakes money in endurance riding.

Sarah Asby was talking about Sport Horse Nationals in Idaho and one of the comments she heard from Patty Faulker and Janet Henderson, who scribed for one of the judges, was that a lot of handlers were not able to show their horses properly. People were being dragged and dragging etc., and we talked about having an in-hand clinic before the AiM show in March. Kaye said that we are lucky to have both these scribes who are judges themselves because AIM will be able to profit from their training at Nationals.

Billie Jo asked whether the judges are supposed to be asking if the horses are going to be showed Hunter or Dressage? The question is not to be asked, according to Kaye. AHA has not taken the old score sheets off the web site, but the question is not to be asked!

Kaye Phaneuf announced that the nominating committee, Janet Jones, received no ballots and 1 impute. Kathy Darnielle did not want to continue with treasurer because of the taxes. Karen Bragg would pick up any open jobs, but did not want to bump out anyone out of their job.

Kaye Phaneuf found the bylaws from 1998. Will be updating them and bring them in as continuing business. AHA must have our bylaws.

Futurity Chair Marcia Donnelly sent out a survey and we had many task forces in regards to futurity. It was finally decided to eliminate the futurity. Kathy Darneille proposed to pay back the money to anyone who paid the 2007-2008 futurity and the whole account closed – all present were in favor. Discussion about the sashes and such came up and Marcia would be deciding on what to do with them. Starting in 2007, the AiM for the Future Futurity will be no more. Money will be refunded to all those who entered the futurities for 2007 and on. A performance class jackpot will take its place.

What is the performance class jackpot? Sport Horse Under Saddle, Junior Horse classes (Arabian and Half/Anglo-Arabian). Jackpot fee is \$50, with post entries at \$75 allowed up until one hour before the start of the session (*i.e.*, morning, afternoon, evening session). We will pay back to the top three jackpot entries that make the ribbons. Payout: 50/30/20, if three jackpot horses make the ribbons; 60/40, if two; and 100, if only one jackpot horse places.

Election of officers:

We went through all the nominations and all voted on these positions. A motion to recombine the positions of treasurer and membership passed. Kathy Cegla suggested that the membership chair do more than track members – *e.g.*, contact new members with a welcome and information, maintain the club mailing list. Kaye suggested Billie Jo for the "Sunshine Chair" that sends a note when new members join or someone's husband dies or just to keep members connected. We came up with the name of Member Relations.

Results of the votes (none of the seats was contested): President, Kaye Phaneuf; Vice President/Activities, Sarah Asby; Secretary, Natalie Mair-Williamson; Treasurer/Membership, Kathy Darneille, Newsletter Editor, Kathy Cegla. The following members agreed to continue in their positions: Youth Coordinator, Katie Stodick; Webmistress, Jannelle Wilde; and Member Relations, Billie Jo Morlie.

Karen Bragg spent three hours chatting about pedigrees to Liz – and we just wanted to acknowledge and say thank you.

Jannelle Wilde presented a proposal to adopt the Bandit Springs Endurance Ride. It has about 170 riders. Dennis and Linda Tribby own the ride, they needed a manager for the ride, and Jannelle approached Kaye and AiM. All of work that needs to be done before the ride time. AiM would be happy to help with this endurance ride. The date is July 21, 2007. Friday and Saturday would be the most important days that would be needed for the volunteers, and a portion of the profit would go to the club in case they need to pay for manpower.

Questions:

1. Does AiM want to contribute to the endurance ride?
2. Does AiM want to just offer Volunteers? Clearing trail and flagging. Setting up water stops. Clearing the debris after the ride. Vet checks during the ride.
3. Does AiM want to take this management over in one year?

Billie Jo made a motion to adopt the Bandit Springs Endurance Ride. Kaye Phaneuf wants AiM to take the financial risk and reap the rewards and Jannelle Wilde will volunteer and manage the ride for us. Jannelle needs to put a proposal together for all the financial cost and including payment for managing the ride. AiM can maybe put up to \$1000 towards Bandit Springs. The biggest need is pulse takers and a stethoscope – could become an activity meeting. AiM members are welcome to bring their own horses. All were in favor for the Bandit Springs Endurance Ride.

Announcements

Region 4 budget meeting, Kaye and Jannelle were attending. Kaye, Kathy, Jannelle and Sarah were going to Louisville to the convention in November 2006 - the resolutions are on the AHA website. Next meeting Sunday December 17th at 1:30 pm, a cookie exchange and deserts and holiday food.

Show committee – email distribution list. Have hired a show manager/show secretary, Lisa Gardner. Jannelle is assistant manager for contracts. Judge -Lilo Fore (S dressage judge, R Sport Horse region judge).

The meeting adjourned at 9:40 p.m.

AHA Convention Report

Submitted by Sarah Asby, Vice President

I would like to thank the membership of the AiM club for giving me the opportunity to attend the Arabian Horse Association annual convention in Louisville, Kentucky in November of this past year. I would like to share with you some of my observations of the meeting.

Even though I was not a voting delegate, I was able to attend the general session meetings as well as the committee meetings of which I am a member. I attended the dressage, sporthorse, and driving and eventing

meetings. Most of the time of all three of these committee meetings was spent discussing resolutions related to the reorganization of the committee structure of the AHA as proposed by the AHA board of directors. Their recommendation was to combine all three of these committees into one sporthorse discipline committee. The reasoning was because the same folks were pretty much on all three committee. However, this recommendation was done without consulting the individual committee chairs and the members. Each committee pointed out that the disciplines were very distinct and a committee meeting at convention would require at least a day to cover all issues. A resolution was introduced by the dressage committee to not allow this to happen. The board recognized that there was great opposition to their recommendation and announced that they were going to postpone for a year and relook at the restructuring, this time involving the committee chairs.

Other business in the committees:

1. **Sport Horse** - This had the largest attendance of all of the committee meetings I attended. This shows the growth of this division. The time allotted for the meeting ran out, and we had to reconvene later in the day. One discussion centered around the appointments for the Sport Horse Under Saddle and Show Hack classes. It was noted that often times a horse will have a hunter bridle and a dressage saddle. It was decided to reword the section so that the tack of the horse is either all hunter tack or all dressage tack and that the rider be dressed appropriately. This change will be in the form of a resolution at the 2007 convention and then, if passed, be effective in 2008. Janet Henderson, the committee chair, also discussed the on-going problem of horses not being shown correctly in the In Hand Sport Horse classes. This is a matter of educating the exhibitors, trainers and, in some cases, the judges. She is going to try to include informational packets for show managers and others as needed. She thought our in-hand clinic that we hold yearly is a good educational tool, and I am going to send her the format that we use in hopes that others might do the same.

2. **Dressage** - The main resolutions coming from the dressage committee were related to the committee restructuring. A report was given by one of the members relating to the various dressage awards that can be won from both the Arabian Horse Association and the US Dressage Federation. For example, an Arabian horse is one of the breeds that can win horse-of-the-year awards from the USDF. Dressage competitors should check with both organizations to see what is available.

3. **Eventing and Driving** - This committee sponsored a resolution allowing non-Arabian judges to judge driving classes. Most of these judges would be approved by the American Driving Society. This resolution did pass, and this allows us to hold some driving classes at our show this year using a local ADS judge.

The general session had a discussion about the qualifications for Regional and National competitions. As most of you may know, we are now on a point system, and class placement does not determine the qualification. Several folks wanted the class placement to be reinstated. The assembly concluded that the point system has not been in place long enough to change. It was decided to wait another year before considering another change.

Before the convention started, we (Kaye, Kathy, Janelle and I) took a trip to the Kentucky Horse Park. We were greeted with a wine and cheese reception at the USEF headquarters and then had a brief tour of the grounds. At one of the main indoor arenas, we watched a driving demonstration from the patron's lounge and had samples of Kentucky bourbon and chocolate. In 2010, the FEI World Equestrian Games are going to be held at this park. This will be the first time that the games will be held in the United States.

Thanks again for letting me represent the club. We decided that one of our goals for 2007 would be to win one of the club recognition awards. So if any members have any suggestions for club activities or how we can add members or anything else, please let your board and convention delegates know.

Member News

USEF has announced that **Extragold Memory** has been named USEF Horse of the Year Region 4 Champion Arabian Hunter/Jumper! Memo, a nine-year-old chestnut mare, has been leased, trained, and shown for the past four years by AiM member **Elise Maxwell**. The mare is owned and bred by AiM member **Kaye Phaneuf**, who also owns her dam, Mi-Gai Pacifica (Gai Midas x Bint Ahmara Azon by Ibn Survan). Memo's sire is Twinfir Extragold (Port Bask x Calica by Negatraz), owned by AiM member **Stuart Sander**.

It was announced in the latest Arabian Horse Magazine that **Katie Stodick** and **El Sharq Asad** tied for 4th/5th in the USDF All Breed ratings for 2006 in Training Level. She is the only one from our region to make the list in any of the levels for Purebreds. We think this is pretty exciting for a 4 year old! His best score of the year, a 71% at the Region IV Championships, did not count because that show was not USDF approved. Adding that score undoubtedly would have put Sharq and Katie even higher on the list.

Also, Katie is now officially a USDF Certified Associate Instructor – one of only two in the State of Oregon. (There are only three Certified Instructors.) Proud mom, **Karen Bragg**, believes that Katie is the only one who specializes in Arabians.

In case you missed it in the December/January Arabian Horse magazine, here is a summary of the **USDF Horse of the Year** AHA All-Breeds winners, including the following **AiM connections**:

PUREBRED

Training Level

5th (and it appears, tied for 4th) 66.154%...**El Sharq Asad** KB - 2002 chestnut gelding (PV El Shikar x My Miss Pride by Baskes Pride+) bred by Painted Valley Farms; owned and ridden by AiM member **Katie Stodick**

HALF-ARABIAN / ANGLO-ARABIAN

Second Level

2nd 63.066%...**Questt+** - 1995 bay gelding (Quartet [Swedish Warmblood] x Thrill by Taliesin) bred by the late **Lesley Eastwood**; owned and ridden by AiM youth member **Jessica Crawford**
5th 61.569%...**Firgrove Paladin+** - 1999 bay gelding (Oxenholm Pastis [Danish Warmblood] x Mi-Gai Pacifica by Gai Midas) bred by **Kaye Phaneuf**; owned and ridden by Sheila McElwee of Danville, Illinois (coached by AiM member **Sandi Chohany**)

Third Level

3rd 61.445%...**Questt+**

Fourth Level

4th 58.913%...**Chocolate Mahogany+** - 1994 bay mare (Ailectric x Soft as Velvet [Half-TB]) bred by Kimberly Schopp; ridden by AiM member **Tracey Moneta** for owners Angela & Jill Lyon

These percentages are the *median* scores earned at the level in USDF-recognized competition for the year. (Median score = half the scores earned were higher, and half lower, than this score.) At the above levels, the horse must have earned at least 8 scores from 4 different judges and 4 different competitions. Two of the scores must have been earned at the highest test of the level, and must have been 58% or higher. All scores recorded in the competition year count toward determining the median score; *i.e.*, you don't get to use just your 8 highest scores and throw out any lower ones.

With multiple regional awards, this mare has the talent to take an adult amateur or serious youth rider to the top. She is also broke to drive. Jenny has an easy, gentle disposition and impeccable ground manners. She is always a lady (but never a princess). She is out of the wonderful ASHA mare, Kalua Delight, who has produced some top English horses including the Park Horse, Maximumm Overdrive+/- shown by Vicki Humphrey. Jenny is in full training with Karla Moffitt and is ready to win for you. She will be a great addition to your 2007 Show Season.

DON'T MISS THIS ONE! HIGH CALIBER KOLORS will make a great horse for whatever you want, willing to learn any discipline and already started under saddle. This gelding has a good mind and likes to work. Cody is a coming three year old, bay Half Arabian Gelding. He has good bone with solid legs, feet; large chest, barrel and broad, strong back/well-defined topline - gives the impression of power. He is very relaxed for a young horse, laid back and very willing. Wonderful people-pleasing personality. Has had a nice amount of trail experience, not prone to spooking. Clips, bathes, loads, hauls, easy to work with, great ground manners. Sweepstakes Nominated too! This guy will be even more impressive as he matures out. Buy him now at \$3,500 before he goes into training.

I'M THE PRETTY ONE! KAITLYN KOLORS is a coming two year old, chestnut, Half Arabian filly by Kolors+// out of Cylent Kisses. Her older brother (above) got all the brawn and she got all the beauty, already named Junior Champion Filly her first time shown! She is pretty and elegant and incredibly smart. Her sire, Kolors+//, has amassed over 650 points in disciplines ranging from Working Cow to Dressage. Her dam, Cylent Kisses, is a class A winner in Dressage and Sport Horse events. Cylent Kisses is a full sister to Thirty Aught Cyx. Talent in the family runs deep and wide. \$5000.

MULTI TALENTED ALL AROUND HORSE. THIRTY AUGHT CYX is an exceptionally talented gelding that has already claimed Regional Championships and is ready to take you to the top Regionally and Nationally. He has been successfully shown by an amateur and a youth in a variety of disciplines. Three good gaits and is very easy to sit. Canter is wonderful. Solid on all lateral work, flying changes well started. Quiet temperament, gentle disposition and excellent rideability make him a joy to work with. He displays a super work ethic and truly enjoys being handled and ridden. His greatest value lies in his sound mind and usability. Unflappable and steady but light and forward, he's great for a youth rider. Perfect ground manners, is easy to handle in the barn, trailer, and at shows. Hauls quietly, ties to the trailer and is good in new places. He has a huge heart and is a very trustworthy, true old fashioned gentleman. Sweepstakes Nominated. \$15,000 firm.
